Conducted September 14-18, 2023 under the joint direction of Beacon Research (D) and Shaw & Company Research (R), this Fox News poll includes interviews among 813 likely lowa Republican caucus-goers who were randomly selected from the lowa voter file and spoke with live interviewers on both landlines and cellphones. Results based on the full sample have a margin of sampling error of plus or minus three percentage points. Results among the attached subgroups have larger sampling errors:
